1. Description of School and its Community

Ysgol Plas Brondyffryn is a Local Authority Residential Special School maintained by Denbighshire Education Authority. The school specialises in meeting the needs of children/young people with Autistic Spectrum Condition (ASC) and associated specific learning difficulties aged 3-19 years. The school is able to accommodate up to 125 children/young people. Gerddi Glasfryn Residential accommodates between 26 – 30 children/young people on a part time basis. As a Regional school, Ysgol Plas Brondyffryn welcomes children/young people from across North Wales and the closer counties of England. Our policies are relevant to all our children/young people regardless of county of residence.

The majority of the children/young people are from English speaking families. For most children/young people, Welsh is taught as a second language; however, education can be provided through the medium of Welsh if requested by the family and detailed in the Statement of Special Educational Needs. The majority of the children/young people are boys due to the higher prevalence of autism in males.

At YPB we are conscious of the need to maintain a low arousal environment which has been shown to be beneficial for individuals with ASC, reducing their anxiety and aiding concentration. To this end, we strive to keep all areas tidy and free from clutter; to make sure classroom displays are orderly and muted in colour; to communicate information in a clear and concise manner and to aim for a quiet and calm atmosphere. The approach varies on each site as dictated by the needs and abilities of the pupils and our aim is always to organise the environment as far as possible to promote independence in our young people.
